Subject: Wisdom Management Era

Para anggota maillist manajemen yang terhormat, sebelumnya salam kenal.

Jika bapak/ibu ada yang berminat membaca salah satu perkembangan terbaru dalam management science, ada artikel menarik yang dikarang oleh professor saya. Judulnya A Method for Changing Knowledge to Wisdom for the Wisdom Management Era. Intisarinnya dapat dibaca sbb:

The difference between knowledge and wisdom has been discussed for a long time. However, the mechanisms for changing knowledge into wisdom have not been totally unraveled in any country in the world. To address this question, the author developed a method for changing knowledge into wisdom in March 1999, using `Advanced Project Management Methodology (Methodology of DTCN/DTC), which he developed between 1979-1997. Using this methodology, a basic method has made it possible

to relate knowledge management, (the accumulation and management of knowledge) with `wisdom management to change knowledge to wisdomI.

Bagi yang berminat, silahkan hubungi saya bisa via japri atau via mailist ini, nanti artikel tsb akan saya kirimkan. Kapasitasnya lumayan besar 2,68 MB. Atau kalau mau download silahkan berkunjung ke <http://ims-web.asahi-u.ac.jp/ims09/>

Dan saya sangat berharap dapat berdiskusi dengan bapak/ibu mengenai isi artikel tsb.

Terima kasih, semoga bermanfaat.

Halo pak Bambang,

Semula saya senang sekali mendapatkan tulisan bapak tersebut, namun sampai tulisan tersebut berakhir, ketertarikan saya sedikit demi sedikit berceceran di tengah perhitungan-perhitungan yang bapak buat.....hehehehe.....sorry, lho....Tapi saya tetap menyenangi paragraph awalnya. Itu sangat berharga.

Dan untuk perhitungan-perhitungan selanjutnya, maaf, saya BELUM tertarik. Mungkin nanti. Tapi, tidak saat ini. Mudah-mudahan pak Bambang tidak menanggapi pernyataan sementara saya ini dengan pertanyaan : Mengapa tidak sekarang ? Apa yang menjadi keberatannya ? Bukankah semakin cepat akan semakin baik ? Apakah bapak tidak melihat peluang yang cukup bagus ?.....dst....dst.....Dan saya yakin pak Bambang tidak akan mengejar saya dengan pertanyaan seperti itu bukan ?!.....hehehehe.....

BTW, orang lain memang merupakan berkat bagi saya. Bila ia menyenangkan, maka saya bersyukur. Bila ia menjengkelkan, maka saya bersabar. Syukur dan sabar adalah sepasang "sayap" yang disediakan Tuhan agar kita mampu "terbang" mendekatinya. Amien.
